Nimbusec Compliance Monitor Issue Types

Issues

Name	Event	Description
Cookie violation	compliance_cookie_opt_in	Cookies were detected being set before the user provided explicit consent via the cookie banner. This violates privacy regulations.
Tracker violation	compliance_tracker_opt_in	Analytical or marketing trackers were initiated before the user provided explicit consent. All non-essential tracking scripts must remain blocked until a valid opt-in is received.
LocalsStorage violation	compliance_local_storage_opt_in	Data was written to the browser's LocalStorage before consent was granted.

Revision #5
